

## **Annapurna Base Camp Trek - 15 days**

Go on 15 days trip for

**\$ per person**

This trek is the one of best views of annapurna range, nilgiri , Dhaulagiri , Tukucho peak , Dhampus peak , Hiunchuli ,Machhapuchhre , Gangapurna, Lamjung Himal other many more greatest views of mountains you never seen before. which is make you the real adventure of life time. This trekking is the suit for who have short holidays this trekking route is much best because in the Annapurna region Poon Hill is the best panoramic place in earth. some famous Trekking itinerary as bellows no worry if you have short time we take you the you top of hill than you enjoy to touch with mountains views.

The Trek begins from Nayapul, which is an hours scenic drive from Pokhara with some fabulous views of Annapurna (South) and Machhapuchhre (Fishtail) en route . From Nayapul, a half an hours walk brings us to Birethanti, situated at the confluence of Modi and Bhurung rivers, here the route divides. We take the West trail towards Ghorepani, a trading village situated at an elevation of 2750 m., where there is a tremendous vantage point (Poon hill - 3194 m.) to view both the Dhaulagiri and Annapurna Himal. The views at sunrise from Poon hill are simply stunning. From Ghorepani, the trail leads East to the hamlet of Tadapani and on towards Chhomrong, from where we commence our journey into the Annapurna Sanctuary and onwards to Annapurna Base Camp. The journey to base camp follows the valley in between the huge ramparts of Himchuli & Machhapuchhre, eventually emerging into an awesome Amphitheater, where a labyrinth of mountains and Annapurna I tower almost vertically above us.

A walk of few or many days up and down trail villages, hills & forests is call trekking. A walk through the hills of Nepal will not only give you a view of the mountains, but also take you through remote villages inhabited by hospitable people who will always well comes you smiling. We invite you to join us on visit to this remote region to see the truth of your dream.

**Trekking Styles:**

There are very various ways of trekking on foot through Himalayan range of Nepal. Whey is planning a trek you need to think carefully about deferent styles of trekking available. Remember that when hiking in any major renege of the mountains, it makes seems to go with at list on while chosen companion, as a slip and a sprained ankle can acquire at any time. It is also prudent to register with your embassy before setting off, and to sign in at any police checkpoint along the way.

**Typical Trekking Days:**

Most of days begin with stunning Himalayas sunrise when the crew bring around a piping hot cup of tea and a

warm bowl of washing water. After hearty breakfast cooked we generally walk for 3 to 4 hours. You are encouraged to walk at your own pace, stopping frequently for photographs or to explore local villages. There is a lot of leisured time, you are allowed to rinse out clothes, read novel books or explore small mounds. .

The journey on the Himalayas varies in length to reach our campsite or lodge by the afternoon. The rest of the day is free to explore, read or write up diaries while dinner is being prepared by the trekking staff. The evening is spent in the mess tent or lodge following a three course meal. On our higher altitude treks, rest and exploration days are build in to the ensure proper acclimatization. So Samrat Tours & Travels P. Ltd classified his trekking into three types.

### **Private Groups:**

Every year, Samrat Tours & Travels operates a tangle of private groups. They may be a small or a big groups, wishing to go trekking with their friends around Annapurna, Dhaulagiri, Langtang, or they follow the itinerary which has included many destinations of Nepal. This is besides included the Everest region & various regions. Samrat treks has the expertise to provide you a high quality service at very competitive prices.

### **School & Collage:**

Samrat Groups , which specializes in trekking, handles School & collage groups to the Himalayan at the affordable prices. The itineraries of this company are designed to provide a real insight in the cultural, religious and environmental aspects of the Himalayan but just as importantly, they are fun, exposed to a Samrat adventure. Students will quickly discover the rich rewards of exploring the globe. Please contact more information. Family Holidays:

We have introduced two programmes for the different Himalayas (Annapurna, Langtang & Mt. Everest regions)as the camping trek and tea house trek. The company operates specially family as well as student groups . The mentioned regions are suitable to the families for going trek, no trouble on the route.. Departure dates are fixed. of both groups. The company allows families with younger children to travel together.

### **General Information:**

Trekking in the Himalayan. The best way to experience Nepal's unbeatable combination of natural beauty and cultural riches is to walk through them. The immense contrasts in altitudes and climates found here support an equally spectacular of lifestyles, vegetation and wildlife. Trekking in the mountains of Nepal is more a cultural experience than a wilderness expedition. You will be passing through picturesque villages inhabited by diverse ethnic groups. You will see Cheetri farmers working in their fields and Tamang herders grazing their animals on the steep slopes. And you will meet Gurkha soldiers on the way ,come across Sherpa yak drivers transporting goods over the high mountain passes. And always in the background, the icy pinnacles of the Himalayan loom over the scenery.
