This unique bike tour is a perfect blend of the remote western pockets of Nepal , with stunning rural trails of the Annapurna region. It combines mountain biking in Annapurna circuit, through the foothills of the Annapurna Himalayas, with explorations of the Kali Gandaki valley and more.

From Kathmandu, our bus takes you to Besisahar, the starting point for Annapurna circuit trek. We then start our trip to Himalayas making up to 5416m Thorang La pass, the highest pass of the tour and down to Jomsom with thrilling decent of 2700m. We have massif view of Annapurna , Gangapurna, Nilgiri and many more.

Throughout the tour, friendly people with broad smiles will cheer up your journey. But the tour is for the professional bikers with a strong will power. In other hand you can also call it trekking and biking combination tour if you don't like to push yourself. The views will make you forget all your tiredness and difficulties.
