Many Hindus from round the globe are dreaming to take a holy bath at least once in their life time in the sacred Damodar-Kund, situated at the lap of high Himalayas in Upper Mustang area of Nepal . Here we are at their service to make their dream come true.

In the column of Barah Puran; Lord Krishna have said that who pays a visit to this Kunda and takes a deep-bath, they will be freed from all the sin. It is also mentioned in Puran that two sons of Kubers were suffering from their wrongdoing & sin, which they did in their previous birth but lord Krishna suggested them to take bath in this Kunda and immediately after taking bath in this Kunda they were released from all their sin. So the importance of a visit to this sacred place cannot be described in a short paragraph.
