

Delhi, Jaipur and Agra Tour - 9 days

Go on 9 days trip for

\$ per person

The Republic of India is a country in South Asia which comprises the majority of the Indian subcontinent. India has a coastline which stretches over seven thousand kilometres, and shares its borders with Pakistan to the west, the People's Republic of China, Nepal, and Bhutan to the northeast, and Bangladesh and Myanmar on the east. On the Indian Ocean, it is adjacent to the island nations of the Maldives on the southwest, Sri Lanka on the south, and Indonesia on the southeast. India borders with Afghanistan to the northwest.

India is the fourth largest economy in the world in terms of purchasing power parity. It is the second most populous country in the world, with a population of over one billion, and is the seventh largest country by geographical area. It is home to some of the most ancient civilisations, and a centre of important historic trade routes. Four major world religions: Hinduism, Buddhism, Jainism and Sikhism have originated from India. Formerly a major part of the British Empire as the British Raj before gaining independence in 1947, during the past twenty years the country has grown significantly, especially in its economic and military spheres, regionally as well as globally.
